

Meet with Federal Funding Group (FFG) to review the Healthcare Connect Fund subsidy program. Identify eligible sites and telecom services that could receive up to 65% in subsidy

Work together with FFG to assemble all documents for sites, services, and projects. FFG will file for site eligibility for any new locations and prepare the request

A request for proposal (RFP) will be posted to the Universal Service Administrative Company (USAC) site to allow the 28 day posting period

Selection of the most cost effective solution from RFP outcome. Execute contracts or chose to stay with existing provider. FFG will prepare the USAC funding application

FFG submits funding application to USAC for the upcoming funding year. Deadline April 1

Equipment can be purchased on or after July 1
